**A brief history of the Spiritual Wonders:** The year was 1954, when Group Founder/Manager, Alexander Bruce approached Clarence Thompson, Sr., about a new group he was forming called, Spiritual Wonders. The Rev. George O'Neil, and James Lockhart joined and these four men began a legacy of rich traditional style gospel quartet music that would last for years to come. The group has had many members over the course of 50+ years, and today their music continues to flourish as the baton has been passed forward to a new group of young men who share the love for traditional quartet gospel music. Spiritual Wonders is hopeful their sound and legacy will continue to be appreciated by a new generation.
